

CENTRAL HIGH SCHOOL

“HOME OF THE GRIZZLIES”

Dear Central Volleyball Supporter,

Our Volleyball Program is seeking your support to help improve our Central High School Girls' Volleyball Program. To run a successful program it is necessary to raise money to keep us competing at a high level. That is why support from your business is crucial.

On August 20, 2016 our Central Grizzly Girls Team is hosting a dinner and auction event. We are hoping you and your company would like to support our team by donating an item for our silent or live auction that night. Support of this event is essential in keeping our student athletes and volleyball program heading in the right direction as we strive for excellence.

On behalf of our Coaches, parents, and our players, we thank you for your support.
Our Tax ID # is 77-0559747.

Sincerely,

Randy Burriss
Girls Volleyball Coach
